

BRANDING GUIDELINES

BY CREATIVES TEAM

Brand Identity

- Ensures a consistent and professional visual presence across every touchpoint.
- Creates a seamless and connected brand experience across all digital, print, and event platforms.
- Strengthens brand recognition, trust, familiarity, and long-term recall.

Logo

- Represents the **official identity** of the Association.
 - Reflects the Association's heritage, values, unity, and lifelong alumni connection.
 - Serves as **the primary symbol for recognition and brand consistency.**
-
- Use only the official logo artwork provided by the Alumni Association.
 - Do not modify, recreate, redraw, distort, or alter the logo in any form.
 - Apply the logo consistently across all digital, print, merchandise, and event materials.
 - Follow the official logo guidelines to preserve the integrity of the brand.

Multiple logo variations.

PRIMARY LOGO

- The variant that the brand should reach for the majority of the time
- Makes the strongest impression
- The website header, business cards, letter heads ,signage.

WHY HORIZONTAL?

Fits headers, match natural human eye movement

SECONDARY LOGO

- Rearranged version of your primary logo, offering more flexibility.
- It may be stacked instead of horizontal (or vice versa)
- Social media graphics, flyers, presentations, or print items.

WORDMARK OR ICON

MAHATMA
SCHOOL ALUMNI ASSOCIATION

- Standalone, simplified graphic
- The most minimal logo variant
- Works best for your website favicon, social media profile picture, branded merch, or watermarks.

Size

- Maintain the minimum recommended logo size to ensure clarity and legibility.
- Avoid reducing the logo below the specified size, as fine details may become unclear.
- Preserve readability across all digital and print applications.

The logo should never be reproduced smaller than the following sizes.

Print - 25 mm Diameter

Digital - 100 px Diameter

- When larger sizes are available, they should always be preferred to improve visibility and maintain visual impact.

Clear Space (Safe Area)

- Ensures maximum visibility and visual impact
- Prevents surrounding elements from competing with the logo and helps maintain its prominence.
- **The minimum clear space on all four sides of the logo shall be equal to 25% (1/4) of the logo's diameter.**

For example:

- 40 mm logo → 10 mm clear space
- 60 mm logo → 15 mm clear space
- 100 mm logo → 25 mm clear space
- 200 px logo → 50 px clear space

No text, images, graphics, borders, patterns, or other design elements may enter this protected area.

02.3

Clear Space

Clear space ensures the logo remains visible, legible, and impactful in every context.

No text, graphics, or other visual elements should enter this protected area.

Always allow the logo room to breathe.

MAHATMA ALUMNI BRAND GUIDELINES

CLEAR SPACE RULE

The minimum clear space around the logo is defined by the height of the torch (X).

X = Height of the torch

CORRECT USAGE

Logo is always surrounded by the required clear space. No elements interfere with its visibility.

INCORRECT USAGE

Background Usage

Use the logo only on backgrounds that provide sufficient contrast.

Prefer white, Ivory, Midnight, or other clean solid colours.

Ensure the logo remains clear and legible over photographs by using overlays or solid panels when required.

Avoid busy, patterned, or low-contrast backgrounds that reduce visibility.

Colour Variations

Use the official full-colour logo whenever possible.

Apply only approved monochrome versions for single-colour applications (e.g., engraving, embossing, embroidery, laser cutting).

Maintain the original proportions and appearance in all variations.

Do not use unofficial colours or alter the approved colour palette.

Font Pairing

ONLY FOR REFERENCE

Font Pairing

Limit to two font families—one for headings and one for body copy.

Create **clear hierarchy** through **font size, weight, color and spacing** rather than using multiple typefaces.

Ensure readability by using appropriate line spacing, contrast, and text alignment.

Apply the heading font for titles and key highlights, and the body font for supporting content and long-form text.

Use **typography consistently** to reinforce recognition and create a cohesive brand experience.

Colour Palette

Official colours for a consistent Mahatma Alumni Association visual identity.

PRIMARY COLOURS

Midnight #1F2A44 RGB 31, 42, 68 CMYK 54, 38, 0, 73 Pantone 534 C	Heritage #C6A75E RGB 198, 167, 94 CMYK 0, 16, 53, 22 Pantone 4515 C	Ivory #E8DCC8 RGB 232, 220, 200 CMYK 0, 5, 14, 9 Pantone 7527 C
--	---	---

These colours form the foundation of all core branding materials.

ALTERNATE COLOURS

Legacy Blue #2D637F RGB 45, 99, 127 CMYK 65, 22, 0, 50 Pantone 5405 C	Honor Gold #E09E19 RGB 224, 158, 25 CMYK 0, 29, 89, 12 Pantone 7550 C
---	---

For premium events, ceremonial branding and special applications.

Supporting Colours

Accent colours add emphasis; neutrals improve readability and balance.

ACCENT COLOURS

Stone Mist #C2B9A7	Campus Blue #00B0DA	Garden Sage #B9D3B6	Slate Grey #53626F	Olive Grove #9DAD33
--	---	---	--	---

Use selectively for emphasis, hierarchy and visual interest. Accent colours should not overpower the core identity.

NEUTRAL PALETTE

Pure White #FFFFFF	Soft Grey #F3F3F3	Silver Grey #A7A7A7	Graphite #333333	Black #000000
--	---	---	--	-------------------------------------

Recommended for backgrounds, typography, tables, dividers, UI elements, document layouts and presentation slides.

Colour Usage

How each palette should be applied across official communications.

PRIMARY	ALTERNATE	ACCENT	NEUTRAL
Foundation of the brand identity. Use for: • Official logo • Website & stationery • Stage backdrops & banners • Council polo T-shirts • Social media branding • Certificates & signage	Reserved for premium and ceremonial applications. Use for: • Annual Alumni Meet • Awards ceremonies • Anniversaries • Souvenir books • Premium invitations • Commemorative publications	Use sparingly to create emphasis and visual hierarchy. Use for: • Instagram graphics • Infographics & icons • Callouts & statistics • Website sections • Event highlights • Presentation graphics	Support the identity; never replace the primary palette. Use for: • Backgrounds • Typography • Tables & dividers • UI elements • Document layouts • Presentation slides

Brand Consistency

Recommended colour distribution across communication materials.

Accent colours should ideally occupy no more than 10-15% of the overall design composition.

Neutral colours may be introduced wherever required to improve readability and layout balance. They support the system, but should not replace the primary palette.

PRIMARY = identity • ALTERNATE = premium • ACCENT = emphasis • NEUTRAL = support

Social Media Branding

- Curate a clean, premium, and visually balanced feed with a **cohesive grid layout**.
- Maintain a **consistent visual rhythm** by alternating photography, typography, and graphic-led content.
- Create a seamless scrolling experience using a **unified colour palette, typography, and spacing**.
- Design the grid as a cohesive visual narrative that is instantly recognizable as Mahatma Alumni.

Incorrect Usage

The integrity of the Mahatma School Alumni Association logo must always be preserved.

The logo must never be:

- Stretched or compressed.
- Rotated or tilted.
- Recolored using unofficial colors.
- Edited by removing individual elements.
- Placed inside another shape or border.
- Distorted using shadows, glow effects, gradients, or outlines.
- Cropped or partially hidden.
- Used on backgrounds that reduce visibility.
- Recreated, redrawn, or traced from screenshots.
- Placed without maintaining the required clear space.

Maintaining these standards ensures that the logo remains consistent, professional, and instantly recognizable across all official communications.
